“Arguably song performance of the entire festival. Spellbinding.”

Following Lakefest 2026, Festivals For All reviewer Barrie Dimond singled out Reuben's performance of the self-penned **'Free My Body'**, describing it as “so powerful, so raw, so emotionally intense and overwhelming” and praising it as one of the standout performances of the entire festival.

Writing from lived experience, Reuben's songs sit somewhere between delicate and spiky – tenderness with an edge. His live performances are raw, high-energy and intimate, built through years of busking, grassroots shows and the UK festival circuit.

His reputation now reaches well beyond the West Midlands, with a growing presence across the UK. Alongside his solo work, Reuben is a full-time member of Dub Catalyst and leads his own band, with a full touring schedule throughout 2026.
